

The Thirteenth Jerusalem International Chamber Music Festival

YMCA Concert Hall, Jerusalem

31.8-8.9 2010
Special Concert 11.9

Dear Friends

It is always a challenge to prepare a new programme for the Festival, hoping that you will find it beautiful, interesting, exciting and daring.

As usual, we have chosen themes from which we have built the main body of the Festival. We are proud and delighted to be celebrating the great Pierre Boulez by performing some of his emblematic works which have made musical history.

'Brahms and 1900' highlights Brahms's extraordinarily powerful and significant influence on the young twentieth century through composers such as Schoenberg, Berg, Webern, Reger and Zemlinsky, to name just a few. The music of Stravinsky, Debussy and Dukas, on the other hand, composed at approximately the same time, provides a fascinating contrast.

This year is also particularly rich in anniversaries of great composers such as Schumann, Chopin and Wolf, whose lieder, thanks to two wonderful singers – Robert Holl and Dorothea Röschmann – form a thread which winds its way through the Festival concerts.

Our programme also includes a world premiere of a work by Matan Porat, a veteran member of our festival family. And, as usual, you will be able to discover wonderful young musicians, as well as meet old friends.

I am sure we will have a wonderful and exhilarating time together and look forward to returning to Jerusalem, to the stage of the YMCA, our musical home.
